SA ALBERT B. KNICKREHM

CRIMINAL COMMISSION

On 12/6/62, Inspector HAROLD BREIER, Detective Bureau, Milwaukee P.D., advised that the Milwaukee P.D. had arrested COSIMO MARZULLO on 12/5/62 at 5:20 P.M. for a stop and go traffic violation on East Wisconsin Avenue and North Milwaukee Street. At the time, he was driving a 1953 Lincoln sedan, Wisconsin license T 10-966. The license is listed to MARZULLO but was listed to a Chrysler and not a Lincoln, which MARZULLO was driving at the time. Since he was unable to show proof of ownership, he was booked on suspicion of auto theft. A search of his person reflected a horse race scratch sheet and numerous papers with names and numbers, indicating he may be involved in betting.

With regard to the car ownership of the Lincoln by MARZULLO, it was established that he had just purchased this Lincoln and the title to the car had not yet been fully transferred.

MARZULLO resides at 1915A South 5th Street and is employed as the manager of the Acino Cleaners at 1012 South 1st Street. The owners of the Acino Cleaners are STEVE DI SALVO, BUSTER BALESTRERE and JOE GURERA.

Upon interview at the Detective Bureau on 12/6/62, MARZULLO advised as follows:

He was born in Naples, Italy on 5/4/04 and came to the United States in about 1924. He advised that he resided in Chicago, Illinois until about 1948 when he went to Racine, Wisconsin for about nine years and operated a cleaners called the American Dry Cleaners at 1901 Mead Street. He stated that, about five years ago, he came to Milwaukee, Wisconsin, and has been here ever since. He advised that, while in Milwaukee, he owned three laundromats, at 1702 Vliet Street, 816 South 5th Street and 510 West North Avenue. He stated that he used to own the Acme Supply Company at 722 South 5th Street, which handled laundromat equipment. He advised that he has

been in the laundry and cleaning business all of his life.

With regard to Acino Cleaners, he stated that he acts in the capacity of manager of Acino Cleaners, but that he believes it is actually owned by STEVE DI SALVO and BUSTER BALESTRERE. He advised the reason he believes this is because they are the individuals who sign checks. He stated he is acquainted with JOE GURERA but does not know whether or not he has any part of ownership of Acino Cleaners. He advised that he has been employed at Acino for only about three weeks. He stated that he knows nothing about DI SALVO's, BALESTRERE's or GURERA's activities, other than the fact that they are in the cleaning business and spend some time of each day at Acino. He denied knowing that they are involved in any hoodlum activity, gambling and so forth.

Among some of the papers found on MARZULLO were the following:

A slip of paper with the following names on it:

ORVILLE OLSON - 500
[redacted] 300
[redacted] 300
[redacted] - 300
[redacted] - 500
O.M. - 1,000 (OWEN MADSON)
[redacted] 500
[redacted] - 300

He also had envelopes in his possession with the above names on them and some figures indicating balances. In explaining the above, MARZULLO stated that he has been interested in horse racing all of his life. He advised that, for the past 14 years, he has been studying the horses and has finally derived a formula for beating them. He stated that he has beat the horses on 97 occasions out of 100 times. He refused, however, to divulge his formula for beating the horses, stating that this was his own scheme. He advised that the names and figures as stated above constituted the names of individuals and the amounts of money that each individual gave him in order to bet on the horses. (It is noted that the above totalled to \$4,700.) MARZULLO advised that all of the above individuals resided [redacted]

[redacted] He stated that he approached ORVILLE OLSON, who is in the cleaning business in Waterford (Racine County)

about five months ago and told OLSON about his scheme. He advised that, since that time, ORVILLE OLSON has invested \$1,000 with him and also collected the money from the other individuals involved and gave the money to him, MARZULLO. He advised that he bets this money at the race track in Chicago and has since given these individuals a return on their investment. When he was informed that the race tracks in Chicago are closed, he admitted that he is now placing his bets with a bookie. He steadfastly refused to identify the bookie.

ORVILLE CARL OLSON was interviewed at the USA's office on 12/7/62 and advised as follows:

He has known COSIMO MARZULLO for 15 years, adding that OLSON worked for the Paris Royal Cleaners in Racine, Wisconsin 15 years ago and MARZULLO operated a cleaners and brought his cleaning to Paris. He advised that, about five months ago, MARZULLO contacted him at his cleaners, Peerless Cleaners, 203 West Main Street, Waterford, Wisconsin, and advised that MARZULLO told him that he had a sure way of beating the horses and wondered if he, OLSON, wanted to invest some money with him. He was in poor financial condition and felt if he could make some easy money, he would do so. He advised he then gave MARZULLO \$300. He said since that time he has given MARZULLO \$700 additional, making it a total of \$1,000. He advised that MARZULLO has returned to him \$320, which reportedly was the result of winnings at the track. He stated that MARZULLO just returned \$62 to him the previous week. He advised that MARZULLO was to keep 50% of all the winnings. He advised that it is his understanding that he could get his original investment of \$1,000 back at any time, but stated he has not tried to do so and doesn't know whether or not he can. He advised that he contacted [redacted] and other individuals in the Racine area and that they too invested some money with MARZULLO and have gotten returns on it. He named them as follows, with the amount invested:

He stated that about five or six weeks ago, he met COSIMO MARZULLO at ORVILLE OLSON's store for the first time. He said OLSON explained to him, MADSON, MARZULLO's operation and that he gave OLSON \$1,000 to give to MARZULLO. He said that, since that time he has received \$254 from MARZULLO, which is supposed to be the result of MARZULLO's winnings at the race track on his \$1,000. He advised that MARZULLO keeps 50% of all the winnings. He advised that he understands that he can get his original investment back at any time but has not tried to do so, since MARZULLO has been giving him a return on his investment.

Informant stated he had no concrete information as to who the individuals were who were responsible for BERNAT's death, but the following individuals [REDACTED].

BUSTER BALESTRERE--He considers BUSTER a good suspect and stated that BUSTER is a sadist. He advised that BUSTER enjoys seeing an individual tortured.

FRANCIS STELLOH--Advised that "his eyes light up when a killing is mentioned." He stated that when reading in the paper of the white Thunderbird, which was supposed to have been seen at the scene of the murder, this could very possibly have been STELLOH.

MI [REDACTED]

b7D

STEVE DE SALVO--He considers STEVE DE SALVO a good suspect and advised that DE SALVO is a vicious man fully capable of committing such a crime. He noted that STEVE has been seen at times driving a white Falcon auto; it is not owned by him. He advised he does not know whom this car belongs to.

JOHN AIELLO--Capable of having done it, although he is quite sick these days and does not believe he would have been in on the murder. Very close friend of AUGIE MANIACI.

JOE GURERA--Capable of having done it, although not the type to do it. Believes he is the one that gave the go-ahead on it. May have been on the scene to see that the job was done.

WALTER BLACKIE BROCCA--Capable of having done it and after having read in the paper that cement was purchased to seal off the wall to the grave and that a white pickup truck was seen at the scene of the murder, he feels BLACKIE very probably was there inasmuch as BLACKIE does have a very light blue pickup truck and is a mason by trade. He advised that BLACKIE is also a very close friend of AUGIE MANIACI.

AUGIE MANIACI--Capable of having done it but doesn't believe he would.

JOHNNY RIZZO--Not the type; doesn't believe he would commit murder. When questioned if it is possible he might have been the fingerman, he said, Yes, that would be something that RIZZO could and would do.

AL (LNU), (ALBANA)--Capable of having done it.

Informant advised that the nickname "POPS" was familiar to him and that he has heard it used as a nickname of several people but could not recall specifically on whom he heard the name used. When questioned as to whether or not he knew DOMINIC PRINCIPE, he stated the name was not familiar to him and inquired as to whether or not it could be PRINCIPATO. He stated that PRINCIPATO was from either Waukegan, Ill., or Highwood, Ill. He advised that PRINCIPATO is 58 to 64 years of age, was in the slot machine business at one time and reportedly has an interest in a bingo game in Waukegan. When questioned as to which doctor would be used to give medical attention to one of the subjects involved if he was hurt as bad as it is rumored, he said that this would be beyond a doubt Dr. GUARDALABENE. He recalled an incident where [REDACTED]

JOSEPH FRANK GURERA, aka
ANTI-RACKETEERINGBUSTIANO VETO BALESTRE REReBulet 2-12-63, captioned, "Anthony Joseph Biernat,
aka., Missing Person - Murder."

Investigations conducted by the Milwaukee Office in connection with the Criminal Intelligence Program indicate that during the past year hoodlums with close ties in Kansas City, Chicago and Las Vegas have appeared in the Milwaukee area and have been taking an active part in the gambling field and in other areas susceptible to domination by racketeers.

Your reports indicate that Joseph Frank Gurera arrived in Milwaukee from the Kansas City area early in 1962. He promptly joined up with former Kansas City hoodlum "Buster" Balestrere and Milwaukee muscle man, Steve DeSalvo, in shaking down Milwaukee gamblers and tavern owners and collecting periodic tribute payments. Informants have advised that this group had, at one time, [redacted] Milwaukee gambler in order to [redacted]

[redacted] in order to keep [redacted] and to facilitate obtaining [redacted] in that area. Although Frank Peter Balistrieri is the alleged head of hoodlums in Milwaukee, certainly, the results achieved by Gurera in Milwaukee, have increased his stature and standing among the hoodlums.

According to information furnished by your informants, the [redacted] Gurera group into the [redacted] Wisconsin, and the [redacted] Biernat leads to the speculation that this is a [redacted] the Biernat murder.

It is noted [redacted] Gurera in Milwaukee was promptly reported by our informants, along with [redacted] in that area and to [redacted] basis insofar as [redacted] were concerned. What part has been played by other area hoodlums in the recent machinations of the Milwaukee group has not been determined.

It is to be noted that retel advised that if investigation establishes that Biernat's murder was a part of the gangland tactics to take over control in Wisconsin and to move into the slot machine business,* then you should develop further evidence in connection with this killing. In order to facilitate administrative handling, any information developed concerning the Biernat murder should be included in your Anti-Racketeering case captioned, "Joseph Frank Gurera, aka., AR," Bureau file 92-4690. Beginning at once, a daily teletype should be submitted to the Bureau in connection with this matter under the Gurera caption.

Sufficient personnel are to be assigned to your Criminal Intelligence Program and to the Gurera matter in order that our responsibilities in this field are thoroughly and completely handled. You should give this matter close personal supervision.

Your summary report on the Biernat case mentioned in retel should include what progress you have made along the lines of investigative endeavor set forth in your teletype of 1-26-63. Prior to the time that he [REDACTED], he was being treated as [REDACTED] by all of them and [REDACTED] no matter how [REDACTED]

Of the [REDACTED] hung around with BALISTRERI, only [REDACTED] FRANK CICKELLI and [REDACTED] seem to come around.

On the night of [REDACTED] FRANK emerged from [REDACTED] and said that he had to leave right away. He was gone approximately an hour and returned with [REDACTED] at about eleven PM. These men, which informant described as [REDACTED] possibly [REDACTED] were very convivial and [REDACTED]. She has never seen them before, said they were all very well dressed and laughed and joked with BALISTRERI all evening long.

[REDACTED] of age, believed to be the [REDACTED] JOE GUERRA, stop in almost daily for 15 to 20 minutes at 12:30 to 1:30 AM. They visit briefly with FRANK, which seems to be their only purpose for coming in.

With regard to the [REDACTED] informant said that [REDACTED] and has been for the past two months. She is always crying that she has no money, FRANK has no money and there is none available. Informant tentitively identified a photograph of DOMINIC PRINCIPLE as an individual who had [REDACTED] on the night of [REDACTED]. She was uncertain of this identity and said she had never seen the individual before, but she was [REDACTED] to his [REDACTED] as she passed him in [REDACTED].

With reference to conversation previously reported between FRANK BALISTRERI, JOE GUERRA, STEVE DE SALVO, HUNTER BALESTRENE and an individual named [REDACTED] referred to in Serial 9, page 2, informant said that as far as the conversation can be recalled, [REDACTED] and STEVE were trying to convince JOE GUERRA, who was disapproving their plans, as to what informant thought was [REDACTED] having something to do with the jukebox business. She specifically recalled a statement that one of them made, "We can get a guy to do it for us," and she specifically recalled [REDACTED] say, "It's cheap if you have it [REDACTED]" She also recalls STEVE making the statement, "At least it will be legitimate, and anyway they can't bother us."

Informant said that she had the impression that they were talking about [REDACTED] in connection with the jukebox operation they had been discussing [REDACTED] for a few days previous. Informant said that VITO was believed to have been on the payroll of the Ogden Social Club at one time and to have also received income from as well as from PHIL VALLEY of the bartenders union.

Informant said that he heard that VITO BALISTRERE had either one lung or one kidney because of a pistol shot received many years ago.

Informant also stated that VITO and his wife live rent-free at 1613A North Van Buren Street, behind Costantino's Tavern for the following reasons: Old Man BALISTRERI, the father of JOSEPH and grandfather of FRANK PETER, owned the property and specified that VITO and his wife could occupy living quarters there as long as they wanted to without paying rent. The property passed on under these conditions to the COSTANTINOS - Mrs. COSTANTINO being a sister of VITO's wife.

In reporting information about BUSTER to Kansas City, a caution should be included to keep information on BUSTER's membership in La Cosa Nostra on administrative pages for the security of this informant.

Re MI let to Kansas City, 10/15/65.

The following investigation at Kenosha, Wis., was conducted by SA WILLIAM J. HIGGINS, JR.

AT KENOSHA, WISCONSIN

On 10/19/65, Chief Investigator [redacted] SO, Kenosha County, Kenosha, Wisconsin, advised that in regards to Subject the only information he has recently received was in the past two days through contact of [redacted] Wisconsin State's Attorney General's Office, to the effect that the original criminal warrant issued 8/5/65 by Judge HARRY V. CARLSON, Temporary Kenosha County Court Judge, Acting Under the Provisions of Wisconsin Statute, Section 253.105, charging that BUSTIANO VITO BALISTRERI, also known as, Bustiano Balistreri, Buster Vito Balistrere, Buster ~~XXXX~~ VITO Balistreri, 9011 Blue Ridge Extension, Kansas City, Missouri, during period 1/1/60 through 1/28/63 at City of Kenosha, County of Kenosha, Wisconsin, did feloniously intentionally operate a gambling place at 2207 56th Street, contrary to Wisconsin Statutes Section 945.03 (1), based on complaint under oath of [redacted] was declared defective in connection with extradition hearings had at the State Capitol, Missouri, before the Governor of that State. The warrant being held defective negated the extradition proceedings as to the Subject from Missouri to Wisconsin and it is now necessary that the Wisconsin States Attorney General's Office seek a new warrant at Kenosha, Wisconsin, against BALISTRERE for transmissal to Missouri in event further prosecution of him is desired in Wisconsin.

Chief Investigator [redacted] advised that he does not know whether such a new complaint will be filed and warrant issued at Kenosha but as of this date no such action has taken place. [redacted] also said that he does not know the legal basis for the finding of the original warrant defective in Missouri, but such information would be available at both the Governor's Office and the Attorney General's Office for the State of Missouri, as transcripts of the action would have been taken.

Doe probe in final phase

Fine Rizzo, Balistrere on gambling charges

Some 53 months after the first step was taken to initiate a John Doe investigation in Kenosha, the final phase of the matter is approaching a conclusion.

Tuesday afternoon two defendants named in warrants as a result of the inquiry entered pleas in County Court.

John C. Rizzo, 55, Racine, pleaded no contest to a commercial gambling charge involving the operation of a gambling house at 2207 56th St. He was found guilty and fined \$1,800 and costs by Judge Earl D. Morton.

Bustiano V. (Buster) Balistrere, a resident of Kansas City who formerly lived in Milwaukee, pleaded guilty to a misdemeanor gambling count and was fined \$500 by Judge Morton. Balistrere entered his plea to a revised charge. Originally he had been named in a warrant charging operation of a gambling place, a felony.

Balistrere was also ordered to pay the state \$286.23 for costs for an extradition hearing. He had at first refused to waive extradition from Missouri but ultimately appeared in Ke-

nosha County Court voluntarily.

A commercial gambling count against Raymond J. Matera, 44, 5407 36th Ave., was dismissed Tuesday. Matera had been charged originally with two gambling counts, pleaded guilty to one of them last June and was fined \$500 and costs. The second charge was dismissed because it had been considered in the imposition of the sentence last year.

Of the 19 men charged with gambling or perjury counts as a result of the Doe probe, only one man remains to be tried. Harry Siegal, a former Kenosha now employed by a Las Vegas casino, has been fighting extradition to Wisconsin to face a charge of operating a gambling place.

William R. Covelli, 47, 7827 36th Ave., was found guilty of perjury in Circuit Court last week and awaits sentencing.

Rizzo and Balistrere were named in the first series of warrants stemming from the Doe in August 1965.

Rizzo had appealed unsuccessfully to the Wisconsin and U. S. supreme courts, seeking reversal of a Circuit Court quashing

of a writ of prohibition to bar his preliminary hearing. He had claimed he had been granted immunity on subjects directly relating to the charge against him.

Rizzo faced a preliminary hearing, long delayed because of his appeals, when he appeared in court yesterday to plead.

Balistrere, once termed by Milwaukee authorities the "recognized gambling kingpin in Milwaukee, Kenosha and Racine Counties," had fought extradition from Kansas City.

However he voluntarily appeared in court here last April and requested a preliminary hearing on a charge of operating a gambling game at the 56th St. address.

He was freed on \$3,000 bond and after several additional delays, was to have come up for preliminary hearing yesterday. He pleaded guilty instead.

Both Rizzo and Balistrere were represented by Milwaukee attorney Dominic Frinzi. Francis Croak, a former Kenosha now practicing law in Milwaukee, was special prosecutor for the state attorney general's office.

Key Suspect Dead In Biernat Slaying

By GENE CUNNINGHAM

A key suspect in the 1963 murder of Kenosha jukebox distributor Anthony J. (Tony) Biernat is dead.

Before the suspect died, he reportedly told investigative

Joseph
Gurera

authorities of his involvement in the Biernat killing and named others involved.

The suspect, Joseph Frank (Joey G.) Gurera, 42, from the Kansas City area, reportedly was an enforcer and trigger man for the mob.

According to Kansas City police, Gurera had a record of 55 arrests and had been picked up on an assortment of crimes and investigations ranging from arson to armed robbery and murder.

From February of 1962 to March of 1963, Gurera lived at 2608 E. Newport av. in Milwaukee.

He reportedly was summoned here to organize gamblers and bookmakers and put the Milwaukee area operation "on a paying basis."

Assisted by Milwaukee

hoodlums, Gurera reportedly began contacting Milwaukee gamblers and gambling spots, telling them that Milwaukee was being organized and that they would have to pay one-third of their take to the outfit.

Compliance was required under threat that one of the gamblers would be singled out for punishment or murder as, an example to the holdouts.

While Gurera was here, he was seen meeting with a key man in the Chicago syndicate, and with a Kansas City hoodlum.

Two Milwaukee gang leaders were also at the meeting, which was held in a local hotel.

Biernat's murder is suspected to have been the result of his resistance to efforts of the Milwaukee outfit to cut in on a share of his profitable jukebox business.

It was Gurera who reportedly approached Biernat on behalf of the outfit with the demand that it be allowed to buy into Biernat's Lakeside Music Co.

Gurera, questioned by authorities in connection with Biernat's murder, denied any knowledge of it. Authorities, however, continued to consider him the prime suspect.

Police in Overland Park, Kan., said Gurera died of a heart attack Dec. 30.

He had had several heart attacks in the last few years and had a fatal attack at his home, police said. They said he was dead on arrival at a Kansas City hospital.

Suspect in Biernat murder case dead

Over five years have passed since the body of Kenosha juke-box dealer, Anthony J. Biernat was found buried in the cellar of an abandoned Bong base farmhouse. While officers have never been able to turn up enough evidence to charge Biernat's killers, authorities feel they know the identities of several persons linked to the gangland-style slaying.

Though human justice has been unable to touch those responsible for the murder, perhaps Fate has stepped in. Two key suspects in the Biernat case have met death prematurely.

Only recently, word was received from the Kansas City suburb of Overland Park, Kans., that reputed crime syndicate "enforcer," Joseph Frank (Joey G. Gurera, is dead at the age of 42. Gurera died of a heart attack last Dec. 30, but the information was received here belatedly.

It wasn't learned until January 1967, that a second suspect in the Kenosha murder, an unidentified man, died in a highway crash between Milwaukee and Green Bay in August 1964. Informants apparently linked the traffic victim with the Biernat case but not until long after his death.

Gurera lived in Milwaukee

from February 1962 until March 1963, two months after Biernat was slain. Reportedly, he was "imported" from Kansas City by crime syndicate figures to put mob operations in Milwaukee "on a paying basis."

Gurera and two other persons supposedly met with Biernat in November 1962. Gurera was questioned by local and FBI officers. He also was questioned by John Doe investigators later. Though he denied any knowledge of the slaying, authorities considered him a prime suspect.

Before he died, it is reported, Gurera told investigative authorities of his involvement in the Biernat killing and named other persons involved.

Gurera had had several heart attacks in the last several years and had the fatal attack at his home. He had been picked up for questioning within the last three years in connection with the murder of a labor leader in Kansas City.

Teamsters Buy Dreske Property

The Teamsters' Union's Central States Pension Fund purchased four parcels of land owned by George R. Dreske for \$1,341,566 at a sheriff's sale here Monday.

Thomas J. Duffey, a Milwaukee lawyer who is a trustee for the pension fund, submitted the only bid for the vacant parcels, which are in West Allis and Brookfield.

The pension fund obtained a judgment in 1974 against Dreske for that amount after Dreske defaulted on mortgages the fund held on the property.

Dreske is the owner of Clinicare Corp., which operates child care institutions at Eau Claire and Prairie du Chien. The pension fund still holds mortgages on the institutions.
